Amended by Chapter 288, 2008 General Session

**78B-9-102. Replacement of prior remedies.**

(1) This chapter establishes the sole remedy for any person who challenges a conviction or sentence for a criminal offense and who has exhausted all other legal remedies, including a direct appeal except as provided in Subsection (2). This chapter replaces all prior remedies for review, including extraordinary or common law writs. Proceedings under this chapter are civil and are governed by the rules of civil procedure. Procedural provisions for filing and commencement of a petition are found in Rule 65C, Utah Rules of Civil Procedure.

(2) This chapter does not apply to:

(a) habeas corpus petitions that do not challenge a conviction or sentence for a criminal offense;

(b) motions to correct a sentence pursuant to Rule 22(e), Utah Rules of Criminal Procedure; or

(c) actions taken by the Board of Pardons and Parole.

Amended by Chapter 288, 2008 General Session

**78B-9-103. Applicability -- Effect on petitions.**

Except for the limitation period established in Section 78B-9-107, this chapter applies only to post-conviction proceedings filed on or after July 1, 1996.

Renumbered and Amended by Chapter 3, 2008 General Session

**78B-9-104. Grounds for relief -- Retroactivity of rule.**

(1) Unless precluded by Section 78B-9-106 or 78B-9-107, a person who has been convicted and sentenced for a criminal offense may file an action in the district court of original jurisdiction for post-conviction relief to vacate or modify the conviction or sentence upon the following grounds:

(a) the conviction was obtained or the sentence was imposed in violation of the United States Constitution or Utah Constitution;

(b) the conviction was obtained or the sentence was imposed under a statute that is in violation of the United States Constitution or Utah Constitution, or the conduct for which the petitioner was prosecuted is constitutionally protected;

(c) the sentence was imposed or probation was revoked in violation of the controlling statutory provisions;

(d) the petitioner had ineffective assistance of counsel in violation of the United States Constitution or Utah Constitution;

(e) newly discovered material evidence exists that requires the court to vacate the conviction or sentence, because:

(i) neither the petitioner nor petitioner's counsel knew of the evidence at the time of trial or sentencing or in time to include the evidence in any previously filed post-trial motion or post-conviction proceeding, and the evidence could not have been discovered through the exercise of reasonable diligence;

(ii) the material evidence is not merely cumulative of evidence that was known;

(iii) the material evidence is not merely impeachment evidence; and

(iv) viewed with all the other evidence, the newly discovered material evidence demonstrates that no reasonable trier of fact could have found the petitioner guilty of the offense or subject to the sentence received; or

(f) the petitioner can prove entitlement to relief under a rule announced by the United States Supreme Court, the Utah Supreme Court, or the Utah Court of Appeals after conviction and sentence became final on direct appeal, and that:

(i) the rule was dictated by precedent existing at the time the petitioner's conviction or sentence became final; or

(ii) the rule decriminalizes the conduct that comprises the elements of the crime for which the petitioner was convicted.

(2) The court may not grant relief from a conviction or sentence unless the petitioner establishes that there would be a reasonable likelihood of a more favorable outcome in light of the facts proved in the post-conviction proceeding, viewed with the evidence and facts introduced at trial or during sentencing.

(3) The court may not grant relief from a conviction based on a claim that the petitioner is innocent of the crime for which convicted except as provided in Title 78B, Chapter 9, Part 3, Postconviction Testing of DNA , or Part 4, Postconviction Determination of Factual Innocence. Claims under Part 3 or Part 4 of this chapter may not be filed as part of a petition under this part, but shall be filed separately and in conformity with the provisions of Part 3 or Part 4.

Amended by Chapter 153, 2010 General Session

#### **78B-9-105. Burden of proof.**

(1) The petitioner has the burden of pleading and proving by a preponderance of the evidence the facts necessary to entitle the petitioner to relief. The court may not grant relief without determining that the petitioner is entitled to relief under the provisions of this chapter and in light of the entire record, including the record from the criminal case under review.

(2) The respondent has the burden of pleading any ground of preclusion under Section 78B-9-106, but once a ground has been pled, the petitioner has the burden to disprove its existence by a preponderance of the evidence.

Amended by Chapter 288, 2008 General Session

#### **78B-9-106. Preclusion of relief -- Exception.**

(1) A person is not eligible for relief under this chapter upon any ground that:

(a) may still be raised on direct appeal or by a post-trial motion;

(b) was raised or addressed at trial or on appeal;

(c) could have been but was not raised at trial or on appeal;  
(d) was raised or addressed in any previous request for post-conviction relief or could have been, but was not, raised in a previous request for post-conviction relief; or  
(e) is barred by the limitation period established in Section 78B-9-107.

(2) (a) The state may raise any of the procedural bars or time bar at any time, including during the state's appeal from an order granting post-conviction relief, unless the court determines that the state should have raised the time bar or procedural bar at an earlier time.

(b) Any court may raise a procedural bar or time bar on its own motion, provided that it gives the parties notice and an opportunity to be heard.

(3) Notwithstanding Subsection (1)(c), a person may be eligible for relief on a basis that the ground could have been but was not raised at trial or on appeal, if the failure to raise that ground was due to ineffective assistance of counsel.

(4) This section authorizes a merits review only to the extent required to address the exception set forth in Subsection (3).

Amended by Chapter 48, 2010 General Session

**78B-9-107. Statute of limitations for postconviction relief.**

(1) A petitioner is entitled to relief only if the petition is filed within one year after the cause of action has accrued.

(2) For purposes of this section, the cause of action accrues on the latest of the following dates:

(a) the last day for filing an appeal from the entry of the final judgment of conviction, if no appeal is taken;

(b) the entry of the decision of the appellate court which has jurisdiction over the case, if an appeal is taken;

(c) the last day for filing a petition for writ of certiorari in the Utah Supreme Court or the United States Supreme Court, if no petition for writ of certiorari is filed;

(d) the entry of the denial of the petition for writ of certiorari or the entry of the decision on the petition for certiorari review, if a petition for writ of certiorari is filed;

(e) the date on which petitioner knew or should have known, in the exercise of reasonable diligence, of evidentiary facts on which the petition is based; or

(f) the date on which the new rule described in Subsection 78B-9-104(1)(f) is established.

(3) The limitations period is tolled for any period during which the petitioner was prevented from filing a petition due to state action in violation of the United States Constitution, or due to physical or mental incapacity. The petitioner has the burden of proving by a preponderance of the evidence that the petitioner is entitled to relief under this Subsection (3).

(4) The statute of limitations is tolled during the pendency of the outcome of a petition asserting:

(a) exoneration through DNA testing under Section 78B-9-303; or

(b) factual innocence under Section 78B-9-401.

(5) Sections 77-19-8, 78B-2-104, and 78B-2-111 do not extend the limitations period established in this section.

**78B-9-108. Effect of granting relief -- Notice.**

- (1) If the court grants the petitioner's request for relief, it shall either:
  - (a) modify the original conviction or sentence; or
  - (b) vacate the original conviction or sentence and order a new trial or sentencing proceeding as appropriate.
- (2) (a) If the petitioner is serving a felony sentence, the order shall be stayed for five days. Within the stay period, the respondent shall give written notice to the court and the petitioner that the respondent will pursue a new trial or sentencing proceedings, appeal the order, or take no action.
- (b) If the respondent fails to provide notice or gives notice at any time during the stay period that it intends to take no action, the court shall lift the stay and deliver the order to the custodian of the petitioner.
- (c) If the respondent gives notice of intent to appeal the court's decision, the stay provided for by Subsection (2)(a) shall remain in effect until the appeal concludes, including any petitions for rehearing or for discretionary review by a higher court. The court may lift the stay if the petitioner can make the showing required for a certificate of probable cause under Section 77-20-10 and URCP 27.
- (d) If the respondent gives notice that it intends to retry or resentence the petitioner, the trial court may order any supplementary orders as to arraignment, trial, sentencing, custody, bail, discharge, or other matters that may be necessary.

**78B-9-109. Appointment of pro bono counsel.**

- (1) If any portion of the petition is not summarily dismissed, the court may, upon the request of an indigent petitioner, appoint counsel on a pro bono basis to represent the petitioner in the post-conviction court or on post-conviction appeal. Counsel who represented the petitioner at trial or on the direct appeal may not be appointed to represent the petitioner under this section.
- (2) In determining whether to appoint counsel, the court shall consider the following factors:
  - (a) whether the petition or the appeal contains factual allegations that will require an evidentiary hearing; and
  - (b) whether the petition involves complicated issues of law or fact that require the assistance of counsel for proper adjudication.
- (3) An allegation that counsel appointed under this section was ineffective cannot be the basis for relief in any subsequent post-conviction petition.

Amended by Chapter 288, 2008 General Session

**78B-9-110. Appeal -- Jurisdiction.**

Any party may appeal from the trial court's final judgment on a petition for post-conviction relief to the appellate court having jurisdiction pursuant to Section 78A-3-102 or 78A-4-103.

Renumbered and Amended by Chapter 3, 2008 General Session

**78B-9-201. Post-conviction remedies -- 30 days.**

A post-conviction remedy may not be applied for or entertained by any court within 30 days prior to the date set for execution of a capital sentence, unless the grounds for application are based on facts or circumstances which developed or first became known within that period of time.

Renumbered and Amended by Chapter 3, 2008 General Session

**78B-9-202. Appointment and payment of counsel in death penalty cases.**

(1) A person who has been sentenced to death and whose conviction and sentence has been affirmed on appeal shall be advised in open court, on the record, in a hearing scheduled no less than 30 days prior to the signing of the death warrant, of the provisions of this chapter allowing challenges to the conviction and death sentence and the appointment of counsel for indigent petitioners.

(2) (a) If a petitioner requests the court to appoint counsel, the court shall determine whether the petitioner is indigent and make findings on the record regarding the petitioner's indigency. If the court finds that the petitioner is indigent, it shall, subject to the provisions of Subsection (5), promptly appoint counsel who is qualified to represent petitioners in postconviction death penalty cases as required by Rule 8 of the Utah Rules of Criminal Procedure. Counsel who represented the petitioner at trial or on the direct appeal may not be appointed to represent the petitioner under this section.

(b) A petitioner who wishes to reject the offer of counsel shall be advised on the record by the court of the consequences of the rejection before the court may accept the rejection.

(3) Attorney fees and litigation expenses incurred in providing the representation provided for in this section and that the court has determined are reasonable shall be paid from state funds by the Division of Finance according to rules established pursuant to Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(a) In determining whether the requested funds are reasonable, the court should consider:

(i) the extent to which the petitioner requests funds to investigate and develop evidence and legal arguments that duplicate the evidence presented and arguments raised in the criminal proceeding; and

(ii) whether the petitioner has established that the requested funds are necessary to develop evidence and legal arguments that are reasonably likely to support postconviction relief.

(b) The court may authorize payment of attorney fees at a rate of \$125 per hour up to a maximum of \$60,000. The court may exceed the maximum only upon a showing of good cause as established in Subsections (3)(e) and (f).

(c) The court may authorize litigation expenses up to a maximum of \$20,000. The court may exceed the maximum only upon a showing of good cause as established in Subsections (3)(e) and (f).

(d) The court may authorize the petitioner to apply ex parte for the funds permitted in Subsections (3)(b) and (c) upon a motion to proceed ex parte and if the petitioner establishes the need for confidentiality. The motion to proceed ex parte must be served on counsel representing the state, and the court may not grant the motion without giving the state an opportunity to respond.

(e) In determining whether good cause exists to exceed the maximum sums established in Subsections (3)(b) and (c), the court shall consider:

(i) the extent to which the work done to date and the further work identified by the petitioner duplicates work and investigation performed during the criminal case under review; and

(ii) whether the petitioner has established that the work done to date and the further work identified is reasonably likely to develop evidence or legal arguments that will support postconviction relief.

(f) The court may permit payment in excess of the maximum amounts established in Subsections (3)(b) and (c) only on the petitioner's motion, provided that:

(i) if the court has granted a motion to file ex parte applications under Subsection (3)(d), the petitioner shall serve the motion to exceed the maximum amounts on an assistant attorney general employed in a division other than the one in which the attorney is employed who represents the state in the postconviction case; if the court has not granted a motion to file ex parte applications, then the petitioner must serve the attorney representing the state in the postconviction matter with the motion to exceed the maximum funds;

(ii) if the motion proceeds under Subsection (3)(f)(i), the designated assistant attorney general may not disclose to the attorney representing the state in the postconviction matter any material the petitioner provides in support of the motion except upon a determination by the court that the material is not protected by or that the petitioner has waived the attorney client privilege or work product doctrine; and

(iii) the court gives the state an opportunity to respond to the request for funds in excess of the maximum amounts provided in Subsections (3)(b) and (c).

(4) Nothing in this chapter shall be construed as creating the right to the effective assistance of postconviction counsel, and relief may not be granted on any claim that postconviction counsel was ineffective.

(5) If within 60 days of the request for counsel the court cannot find counsel willing to accept the appointment, the court shall notify the petitioner and the state's counsel in writing. In that event, the petitioner may elect to proceed pro se by serving written notice of that election on the court and state's counsel within 30 days of the court's notice that no counsel could be found. If within 30 days of its notice to the petitioner the court receives no notice that the petitioner elects to proceed pro se, the court shall dismiss any pending postconviction actions and vacate any execution stays, and the state may initiate proceedings under Section 77-19-9 to issue an execution warrant.

(6) Subject to Subsection (2)(a) the court shall appoint counsel to represent the petitioner for the first petition filed after the direct appeal. For all other petitions,

counsel may not be appointed at public expense for a petitioner, except to raise claims:

- (a) based on newly discovered evidence as defined in Subsection 78B-9-104(1)(e)(i); or
- (b) based on Subsection 78B-9-104(1)(f) that could not have been raised in any previously filed post trial motion or postconviction proceeding.

Amended by Chapter 165, 2011 General Session

**78B-9-300. Title.**

This part is known as "Postconviction DNA Testing."

Enacted by Chapter 358, 2008 General Session

**78B-9-301. Postconviction testing of DNA -- Petition -- Sufficient allegations -- Notification of victim.**

- (1) As used in this part:
  - (a) "DNA" means deoxyribonucleic acid.
  - (b) "Factually innocent" has the same definition as in Section 78B-9-402.
- (2) A person convicted of a felony offense may at any time file a petition for postconviction DNA testing in the trial court that entered the judgment of conviction if the person asserts factual innocence under oath and the petition alleges:
  - (a) evidence has been obtained regarding the person's case which is still in existence and is in a condition that allows DNA testing to be conducted;
  - (b) the chain of custody is sufficient to establish that the evidence has not been altered in any material aspect;
  - (c) the person identifies the specific evidence to be tested and states a theory of defense, not inconsistent with theories previously asserted at trial, that the requested DNA testing would support;
  - (d) the evidence was not previously subjected to DNA testing, or if the evidence was tested previously, the evidence was not subjected to the testing that is now requested, and the new testing may resolve an issue not resolved by the prior testing;
  - (e) the proposed DNA testing is generally accepted as valid in the scientific field or is otherwise admissible under Utah law;
  - (f) the evidence that is the subject of the request for testing has the potential to produce new, noncumulative evidence that will establish the person's factual innocence; and
  - (g) the person is aware of the consequences of filing the petition, including:
    - (i) those specified in Sections 78B-9-302 and 78B-9-304; and
    - (ii) that the person is waiving any statute of limitations in all jurisdictions as to any felony offense the person has committed which is identified through DNA database comparison.
- (3) The petition under Subsection (2) shall comply with Rule 65C, Utah Rules of Civil Procedure, including providing the underlying criminal case number.
- (4) The court may not order DNA testing in cases in which DNA testing was available at the time of trial and the person did not request DNA testing or present DNA evidence for tactical reasons.

(5) After a petition is filed under this section, prosecutors, law enforcement officers, and crime laboratory personnel have a duty to cooperate in preserving evidence and in determining the sufficiency of the chain of custody of the evidence which may be subject to DNA testing.

(6) (a) A person who files a petition under this section shall serve notice upon the office of the prosecutor who obtained the conviction, and upon the Utah attorney general. The attorney general shall, within 30 days after receipt of service of a copy of the petition, or within any additional period of time the court allows, answer or otherwise respond to all proceedings initiated under this part.

(b) After the attorney general is given an opportunity to respond to a petition for postconviction DNA testing, the court shall order DNA testing if it finds by a preponderance of the evidence that all criteria of Subsection (2) have been met.

(7) (a) If the court grants the petition for testing, the DNA test shall be performed by the Utah State Crime Laboratory within the Criminal Investigations and Technical Services Division created in Section 53-10-103, unless the person establishes that the state crime laboratory has a conflict of interest or does not have the capability to perform the necessary testing.

(b) If the court orders that the testing be conducted by any laboratory other than the state crime laboratory, the court shall require that the testing be performed:

(i) under reasonable conditions designed to protect the state's interests in the integrity of the evidence; and

(ii) according to accepted scientific standards and procedures.

(8) (a) DNA testing under this section shall be paid for from funds appropriated to the Department of Public Safety under Subsection 53-10-407(4)(d)(ii) from the DNA Specimen Restricted Account created in Section 53-10-407 if:

(i) the court ordered the DNA testing under this section;

(ii) the Utah State Crime Laboratory within the Criminal Investigations and Technical Services Division has a conflict of interest or does not have the capability to perform the necessary testing; and

(iii) the petitioner who has filed for postconviction DNA testing under Section 78B-9-201 is serving a sentence of imprisonment and is indigent.

(b) Under this Subsection (8), costs of DNA testing include those necessary to transport the evidence, prepare samples for analysis, analyze the evidence, and prepare reports of findings.

(9) If the person is serving a sentence of imprisonment and is indigent, the state shall pay for the costs of the testing under this part, but if the result is not favorable to the person the court may order the person to reimburse the state for the costs of the testing, pursuant to the provisions of Subsections 78B-9-302(4) and 78B-9-304(1)(b).

(10) Any victim of the crime regarding which the person petitions for DNA testing, who has elected to receive notice under Section 77-38-3 shall be notified by the state's attorney of any hearing regarding the petition and testing, even though the hearing is a civil proceeding.

Amended by Chapter 405, 2010 General Session

#### **78B-9-302. Effect of petition for postconviction DNA testing -- Requests**

**for appointment of counsel -- Appeals -- Subsequent postconviction petitions.**

(1) The filing of a petition for DNA testing constitutes the person's consent to provide samples of body fluids for use in the DNA testing.

(2) The data from any DNA samples or test results obtained as a result of the petition may be entered into law enforcement DNA databases.

(3) The filing of a petition for DNA testing constitutes the person's waiver of any statute of limitations in all jurisdictions as to any felony offense the person has committed which is identified through DNA database comparison.

(4) The person filing the petition for postconviction DNA testing bears the cost of the testing unless:

(a) the person is serving a sentence of imprisonment;

(b) the person is indigent; and

(c) the DNA test is favorable to the petitioner.

(5) (a) Subsections 78B-9-109(1) and (2), regarding the appointment of pro bono counsel, apply to any request for the appointment of counsel under this part.

(b) Subsection 78B-9-109(3), regarding effectiveness of counsel, applies to subsequent postconviction petitions and to appeals under this part.

Renumbered and Amended by Chapter 3, 2008 General Session

**78B-9-303. Consequences of postconviction DNA testing when result is favorable to person -- Procedures.**

(1) (a) If the result of postconviction DNA testing is favorable to the person, the person may file a motion to vacate the conviction. The court shall give the state 30 days to respond in writing, to present evidence, and to be heard in oral argument prior to issuing an order to vacate the conviction. The state may by motion request an extension of the 30 days, which the court may grant upon good cause shown.

(b) The state may stipulate to the conviction being vacated, or may request a hearing and attempt to demonstrate through evidence and argument that, despite the DNA test results, the state possesses sufficient evidence of the person's guilt so that the person is unable to demonstrate by clear and convincing evidence that the person is factually innocent of one or more offenses of which the person was convicted, and all the lesser included offenses related to those offenses.

(2) (a) (i) If the result of postconviction DNA testing is favorable to the person and the state opposes vacating the conviction, the court shall consider all the evidence presented at the original trial and at the hearing under Subsection (1)(b), including the new DNA test result.

(ii) The court may consider:

(A) evidence that was suppressed or would be suppressed at a criminal trial; and

(B) hearsay evidence, and may consider that the evidence is hearsay in evaluating its weight and credibility.

(b) If the court, after considering all the evidence, determines that the DNA test result demonstrates by clear and convincing evidence that the person is factually innocent of one or more offenses of which the person was convicted, the court shall order that those convictions be vacated with prejudice and those convictions be

expunged from the person's record.

(c) If the court, after considering all the evidence presented at the original trial and at the hearing under Subsection (1)(b), including the new DNA test result, finds by clear and convincing evidence that the person did not commit one or more offenses of which the person was convicted, but the court does not find by clear and convincing evidence that the person did not commit any lesser included offenses relating to those offenses, the court shall modify the original conviction and sentence of the person as appropriate for the lesser included offense, whether or not the lesser included offense was originally submitted to the trier of fact.

(d) If the court, after considering all the evidence presented at the original trial and at the hearing under Subsection (1)(b), including the new DNA test result, does not find by clear and convincing evidence that the person is factually innocent of the offense or offenses the person is challenging and does not find that Subsection (2)(c) applies, the court shall deny the person's petition regarding the offense or offenses.

(e) Any party may appeal from the trial court's final ruling on the petition under this part.

Renumbered and Amended by Chapter 3, 2008 General Session

**78B-9-304. Consequences of postconviction DNA testing when result is unfavorable to person -- Procedures.**

(1) If the result of postconviction DNA testing is not favorable to the person, the court shall deny the person's petition, and the court shall:

- (a) report the unfavorable result to the Board of Pardons and Parole; and
- (b) order the person to pay for the costs of the DNA testing unless the petitioner has already paid that cost.

(2) This section does not apply if the DNA test is inconclusive.

Renumbered and Amended by Chapter 3, 2008 General Session

**78B-9-401. Title.**

This part is known as "Postconviction Determination of Factual Innocence."

Enacted by Chapter 358, 2008 General Session

**78B-9-401.5. Definitions.**

As used in this part:

(1) "Bona fide and compelling issue of factual innocence" means that the newly discovered material evidence presented by the petitioner, if credible, would clearly establish the factual innocence of the petitioner.

(2) "Factual innocence" or "factually innocent" means a person did not:

- (a) engage in the conduct for which the person was convicted;
- (b) engage in conduct relating to any lesser included offenses of the crime for which the person was convicted; or

(c) commit any other felony arising out of or reasonably connected to the facts supporting the indictment or information upon which the person was convicted.

(3) "Newly discovered material evidence" means evidence that was not available to the petitioner at trial or during the resolution on the merits by the trial court of any motion to withdraw a guilty plea or motion for new trial and which is relevant to the determination of the issue of factual innocence, and may also include:

(a) evidence which was discovered prior to or in the course of any appeal or postconviction proceedings that served in whole or in part as the basis for vacatur or reversal of the conviction of petitioner; or

(b) evidence that supports the claims within a petition filed under Part 1, General Provisions, which is pending at the time of the court's determination of factual innocence.

(4) "Period of incarceration" means any sentence of imprisonment, including jail, which was served after judgement of conviction.

Enacted by Chapter 153, 2010 General Session

**78B-9-402. Petition for determination of factual innocence -- Sufficient allegations -- Notification of victim -- Payment to surviving spouse.**

(1) A person who has been convicted of a felony offense may petition the district court in the county in which the person was convicted for a hearing to establish that the person is factually innocent of the crime or crimes of which the person was convicted.

(2) (a) The petition shall contain an assertion of factual innocence under oath by the petitioner and shall aver, with supporting affidavits or other credible documents, that:

(i) newly discovered material evidence exists that, if credible, establishes that the petitioner is factually innocent;

(ii) the specific evidence identified by the petitioner in the petition establishes innocence;

(iii) the material evidence is not merely cumulative of evidence that was known;

(iv) the material evidence is not merely impeachment evidence; and

(v) viewed with all the other evidence, the newly discovered evidence demonstrates that the petitioner is factually innocent.

(b) The court shall review the petition in accordance with the procedures in Subsection (9)(b), and make a finding that the petition has satisfied the requirements of Subsection (2)(a). If the court finds the petition does not meet all the requirements of Subsection (2)(a), it shall dismiss the petition without prejudice and send notice of the dismissal to the petitioner and the attorney general.

(3) (a) The petition shall also contain an averment that:

(i) neither the petitioner nor the petitioner's counsel knew of the evidence at the time of trial or sentencing or in time to include the evidence in any previously filed post-trial motion or postconviction motion, and the evidence could not have been discovered by the petitioner or the petitioner's counsel through the exercise of reasonable diligence; or

(ii) a court has found ineffective assistance of counsel for failing to exercise reasonable diligence in uncovering the evidence.

(b) Upon entry of a finding that the petition is sufficient under Subsection (2)(a), the court shall then review the petition to determine if Subsection (3)(a) has been

satisfied. If the court finds that the requirements of Subsection (3)(a) have not been satisfied, it may dismiss the petition without prejudice and give notice to the petitioner and the attorney general of the dismissal, or the court may waive the requirements of Subsection (3)(a) if the court finds the petition should proceed to hearing based upon the strength of the petition, and that there is other evidence that could have been discovered through the exercise of reasonable diligence by the petitioner or the petitioner's counsel at trial, and the other evidence:

- (i) was not discovered by the petitioner or the petitioner's counsel;
- (ii) is material upon the issue of factual innocence; and
- (iii) has never been presented to a court.

(4) If the conviction for which the petitioner asserts factual innocence was based upon a plea of guilty, the petition shall contain the specific nature and content of the evidence that establishes factual innocence. The court shall review the evidence and may dismiss the petition at any time in the course of the proceedings, if the court finds that the evidence of factual innocence relies solely upon the recantation of testimony or prior statements made by a witness against the petitioner, and the recantation appears to the court to be equivocal or self-serving.

(5) A person who has already obtained postconviction relief that vacated or reversed the person's conviction or sentence may also file a petition under this part in the same manner and form as described above, if no retrial or appeal regarding this offense is pending.

(6) If some or all of the evidence alleged to be exonerating is biological evidence subject to DNA testing, the petitioner shall seek DNA testing pursuant to Section 78B-9-301.

(7) Except as provided in Subsection (9), the petition and all subsequent proceedings shall be in compliance with and governed by Rule 65C, Utah Rules of Civil Procedure, and shall include the underlying criminal case number.

(8) After a petition is filed under this section, prosecutors, law enforcement officers, and crime laboratory personnel shall cooperate in preserving evidence and in determining the sufficiency of the chain of custody of the evidence which is the subject of the petition.

(9) (a) A person who files a petition under this section shall serve notice of the petition and a copy of the petition upon the office of the prosecutor who obtained the conviction and upon the Utah attorney general.

(b) The assigned judge shall conduct an initial review of the petition. If it is apparent to the court that the petitioner is either merely relitigating facts, issues, or evidence presented in previous proceedings or presenting issues that appear frivolous or speculative on their face, the court shall dismiss the petition, state the basis for the dismissal, and serve notice of dismissal upon the petitioner and the attorney general. If, upon completion of the initial review, the court does not dismiss the petition, it shall order the attorney general to file a response to the petition. The attorney general shall, within 30 days after receipt of the court's order, or within any additional period of time the court allows, answer or otherwise respond to all proceedings initiated under this part.

(c) After the time for response by the attorney general under Subsection (9)(b) has passed, the court shall order a hearing if it finds the petition meets the

requirements of Subsections (2) and (3) and finds there is a bona fide and compelling issue of factual innocence regarding the charges of which the petitioner was convicted. No bona fide and compelling issue of factual innocence exists if the petitioner is merely relitigating facts, issues, or evidence presented in a previous proceeding or if the petitioner is unable to identify with sufficient specificity the nature and reliability of the newly discovered evidence that establishes the petitioner's factual innocence.

(d) If the parties stipulate that the evidence establishes that the petitioner is factually innocent, the court may find the petitioner is factually innocent without holding a hearing. If the state will not stipulate that the evidence establishes that the petitioner is factually innocent, no determination of factual innocence may be made by the court without first holding a hearing under this part.

(10) The court may not grant a petition for a hearing under this part during the period in which criminal proceedings in the matter are pending before any trial or appellate court, unless stipulated to by the parties.

(11) Any victim of a crime that is the subject of a petition under this part, and who has elected to receive notice under Section 77-38-3, shall be notified by the state's attorney of any hearing regarding the petition.

(12) A petition to determine factual innocence under this part, or Part 3, Postconviction Testing of DNA, shall be filed separately from any petition for postconviction relief under Part 1, General Provisions. Separate petitions may be filed simultaneously in the same court.

(13) The procedures governing the filing and adjudication of a petition to determine factual innocence apply to all petitions currently filed or pending in the district court and any new petitions filed on or after June 1, 2012.

(14) (a) As used in this Subsection (14) and in Subsection (15):

(i) "Married" means the legal marital relationship established between a man and a woman and as recognized by the laws of this state; and

(ii) "Spouse" means a person married to the petitioner at the time the petitioner was found guilty of the offense regarding which a petition is filed and who has since then been continuously married to the petitioner until the petitioner's death.

(b) A claim for determination of factual innocence under this part is not extinguished upon the death of the petitioner.

(c) If any payments are already being made to the petitioner under this part at the time of the death of the petitioner, or if the finding of factual innocence occurs after the death of the petitioner, the payments due under Section 78B-9-405 shall be paid according to the schedule under Section 78B-9-405 to the petitioner's surviving spouse. Payments cease upon the death of the spouse.

(15) The spouse under Subsection (14) forfeits all rights to receive any payment under this part if the spouse is charged with a homicide established by a preponderance of the evidence that meets the elements of any felony homicide offense in Title 76, Chapter 5, Offenses Against the Person, except automobile homicide, applying the same principles of culpability and defenses as in Title 76, Utah Criminal Code, including Title 76, Chapter 2, Principles of Criminal Responsibility.

**78B-9-404. Hearing upon petition -- Procedures -- Court determination of factual innocence.**

(1) (a) In any hearing conducted under this part, the Utah attorney general shall represent the state.

(b) The burden is upon the petitioner to establish the petitioner's factual innocence by clear and convincing evidence.

(2) The court may consider:

(a) evidence that was suppressed or would be suppressed at a criminal trial; and

(b) hearsay evidence, and may consider that the evidence is hearsay in evaluating its weight and credibility.

(3) In making its determination the court shall consider, in addition to the evidence presented at the hearing under this part, the record of the original criminal case and at any postconviction proceedings in the case.

(4) If the court, after considering all the evidence, determines by clear and convincing evidence that the petitioner:

(a) is factually innocent of one or more offenses of which the petitioner was convicted, the court shall order that those convictions:

(i) be vacated with prejudice; and

(ii) be expunged from the petitioner's record; or

(b) did not commit one or more offenses of which the petitioner was convicted, but the court does not find by clear and convincing evidence that the petitioner did not commit any lesser included offenses relating to those offenses, the court shall modify the original conviction and sentence of the petitioner as appropriate for the lesser included offense, whether or not the lesser included offense was originally submitted to the trier of fact.

(5) (a) If the court, after considering all the evidence, does not determine by clear and convincing evidence that the petitioner is factually innocent of the offense or offenses the petitioner is challenging and does not find that Subsection (4)(b) applies, the court shall deny the petition regarding the offense or offenses.

(b) If the court finds that the petition was brought in bad faith, it shall enter the finding on the record, and the petitioner may not file a second or successive petition under this section without first applying to and obtaining permission from the court which denied the prior petition.

(6) At least 30 days prior to a hearing on a petition to determine factual innocence, the petitioner and the respondent shall exchange information regarding the evidence each intends to present at the hearing. This information shall include:

- (a) a list of witnesses to be called at the hearing; and
  - (b) a summary of the testimony or other evidence to be introduced through each witness, including any expert witnesses.
- (7) Each party is entitled to a copy of any expert report to be introduced or relied upon by that expert or another expert at least 30 days prior to hearing.
- (8) The court, after considering all the evidence, may not find the petitioner to be factually innocent unless:
- (a) the court determines by clear and convincing evidence that the petitioner did not commit one or more of the offenses of which the petitioner was convicted, as defined in Subsection 78B-9-401.5(2); and
  - (b) the determination is based upon the newly discovered material evidence described in the petition, pursuant to Section 78B-9-402, and as defined in Subsection 78B-9-401.5(3).

**78B-9-405. Judgment and assistance payment.**

(1) (a) If a court finds a petitioner factually innocent under Part 3, Postconviction Testing of DNA, or under this part, and if the petitioner has served a period of incarceration, the court shall order that, as provided in Subsection (2), the petitioner shall receive for each year or portion of a year the petitioner was incarcerated, up to a maximum of 15 years, the monetary equivalent of the average annual nonagricultural payroll wage in Utah, as determined by the data most recently published by the Department of Workforce Services at the time of the petitioner's release from prison.

(b) As used in this Subsection (1), "petitioner" means a United States citizen or an individual who was otherwise lawfully present in this country at the time of the incident that gave rise to the underlying conviction.

(2) Payments pursuant to this section shall be made as follows:

(a) The Utah Office for Victims of Crime shall pay from the Crime Victim Reparations Fund to the petitioner within 45 days of the court order under Subsection (1) an initial sum equal to either 20% of the total financial assistance payment as determined under Subsection (1) or an amount equal to two years of incarceration, whichever is greater, but not to exceed the total amount owed.

(b) The Legislature shall appropriate as nonlapsing funds from the General Fund, and no later than the next general session following the issuance of the court order under Subsection (1):

(i) to the Crime Victim Reparations Fund, the amount that was paid out of the fund under Subsection (2)(a); and

(ii) to the Commission on Criminal and Juvenile Justice, as a separate line item, the amount ordered by the court for payments under Subsection (1), minus the amount reimbursed to the Crime Victim Reparations Fund under Subsection (2)(b)(i).

(c) Payments to the petitioner under this section, other than the payment under Subsection (2)(a), shall be made by the Commission on Criminal and Juvenile Justice quarterly on or before the last day of the month next succeeding each calendar quarterly period.

(d) Payments under Subsection (2)(c) shall:

(i) commence no later than one year after the effective date of the appropriation for the payments;

(ii) be made to the petitioner for the balance of the amount ordered by the court after the initial payment under Subsection (2)(a); and

(iii) be allocated so that the entire amount due to the petitioner under this section has been paid no later than 10 years after the effective date of the appropriation made under Subsection (2)(b).

(3) (a) Payments pursuant to this section shall be reduced to the extent that the period of incarceration for which the petitioner seeks payment was attributable to a separate and lawful conviction.

(b) (i) Payments pursuant to this section shall be tolled upon the commencement of any period of incarceration due to the petitioner's subsequent conviction of a felony and shall resume upon the conclusion of that period of incarceration.

(ii) As used in this section, "felony" means a criminal offense classified as a felony under Title 76, Chapter 3, Punishments, or conduct that would constitute a felony if committed in Utah.

(c) The reduction of payments pursuant to Subsection (3)(a) or the tolling of payments pursuant to Subsection (3)(b) shall be determined by the same court that finds a petitioner to be factually innocent under Part 3, Postconviction Testing of DNA, or this part.

(4) (a) A person is ineligible for any payments under this part if the person was already serving a prison sentence in another jurisdiction at the time of the conviction of the crime for which that person has been found factually innocent pursuant to Part 3, Postconviction Testing of DNA, or this part, and that person is to be returned to that other jurisdiction upon release for further incarceration on the prior conviction.

(b) Ineligibility for any payments pursuant to this Subsection (4) shall be determined by the same court that finds a person to be factually innocent under Part 3, Postconviction Testing of DNA, or this part.

(5) Payments pursuant to this section:

(a) are not subject to any Utah state taxes; and

(b) may not be offset by any expenses incurred by the state or any political subdivision of the state, including expenses incurred to secure the petitioner's custody, or to feed, clothe, or provide medical services for the petitioner.

(6) If a court finds a petitioner to be factually innocent under Part 3, Postconviction Testing of DNA, or this part, the court shall also:

(a) issue an order of expungement of the petitioner's criminal record for all acts in the charging document upon which the payment under this part is based; and

(b) provide a letter to the petitioner explaining that the petitioner's conviction has been vacated on the grounds of factual innocence and indicating that the petitioner did not commit the crime or crimes for which the petitioner was convicted and was later found to be factually innocent under Part 3, Postconviction Testing of DNA, or this part.

(7) A petitioner found to be factually innocent under Part 3, Postconviction Testing of DNA, or this part shall have access to the same services and programs available to Utah citizens generally as though the conviction for which the petitioner was found to be factually innocent had never occurred.

(8) Payments pursuant to this part constitute a full and conclusive resolution of the petitioner's claims on the specific issue of factual innocence. Pre-judgment interest may not be awarded in addition to the payments provided under this part.
